<b>Christmas Parade</b> – High St to Brindley Place	13 <sup>th</sup> November 2010
<b>Sandvik Tree Switch On</b> – Victoria Square	TBC
<b>Remembrance Sunday</b> – Various locations	14 <sup>th</sup> November 2010
<b>Christmas Parade</b> – Various locations	21 <sup>st</sup> November 2010
<b>German Christmas Market</b> – (New Street & Victoria Square)	18th November to 24 <sup>th</sup> December 2010
<b>Pantomime Horse Race</b> – Various locations	28 <sup>th</sup> November 2010

**Bonfire Night**

**Pype Hayes Park, Erdington, North Birmingham – Friday 5<sup>th</sup> November 2010**

A traditional bonfire night with fireworks. There is plenty to do before the fireworks – experience the thrills and spills of the funfair, warm up with some snacks and soak up the glow of the bonfire.

Gates open – 5pm  
Bonfire lighting – 7pm  
Fireworks – 8.30pm  
Event closes – 10.30pm

There is no parking at Pype Hayes Car Park (except for people with disabilities - access off Chester Road). However there is free parking at the Fort Shopping Centre and a special park and ride service from 5pm-11pm. Shuttle buses will be located near W H Smith and will run from The Fort to the Bagot Arms opposite the park.

## Major Schemes

### Selly Oak

updated

#### **Hospital Link Road Phase 3 and Vincent drive down grading**

The primary purpose of these works is to provide a new high quality access to the New Queen Elizabeth Hospital. The H.L.R 3 will be a public highway connected to the new Selly Oak New Road.

The first phase of the hospital link road was opened in June 2010 and access will be gained along H.L.R 3 and the access junctions A & B on Vincent Drive. Now H.L.R 3 is completed, works will commence on the permanent junction layouts at A & B junctions and the down grading of Vincent Drive.

Works on HLR3 site started on 26<sup>th</sup> October 2009 and were completed on the 15<sup>th</sup> June 2010.

Works on the Vincent Drive downgrade site started on 16<sup>th</sup> June 2010.

Works in the week starting the 6<sup>th</sup> November 2010 will include:

- Vincent Drive, Junction B, Phase 3i, Type 1 fill, Kerbing Surfacing, Temp road surfacing and drainage installation
- Installation and waterproofing for the Steam pipe tunnel insitu splay / tower.
- Central Network Ducting works along Vincent drive.

Emergency contact numbers for Birse are:-

Ian Matthews: 07970 125 369

Rob Chattoe: 07970 235 334

Head Office: 01453 824 561

For further information contact Tim Embrey (Transportation Projects) 0121 303 7357 or Mobile 07967221205 or e mail [tim.embrey@birmingham.gov.uk](mailto:tim.embrey@birmingham.gov.uk)  
Colin Pearce 07766 923286

#### **Selly Oak New Road Phase 2**

The Scheme includes for the Construction of a new road to relieve A38 Bristol Rd as it runs through the Selly Oak Centre. It will run between the end of Selly Oak New Rd-Phase 1A (off Harborne Lane) and the junction of Bristol Rd/ Edgbaston Park Rd.

## **Programmed Works from Saturday 6th November, 2010 until Friday 12th November, 2010**

### **Saturday & Sunday work**

A railway possession is planned from 0030hrs to 0830hrs on Sunday 31<sup>st</sup> October. This is to divert overhead cables on the railway ready for the bridge slide at Christmas.

### **Monday-Friday work**

The new railway bridge being constructed on the west side of the railway is now structurally complete.

Stripping and removing of scaffold and shuttering will be taking place.

Waterproofing of the aqueduct will be taking place.

Sheet piling to the tie-ins will continue.

Facing brickwork to both sides of the retaining wall at the rear of Tesco will continue.

Footpath works will be taking place in this area.

Roadworks will be taking place adjacent to the Bristol Road from Arley Road junction to the Ambulance Station.

Arley Road will be partially closed to enable the roadworks to take place.

Access to frontages will be maintained.

Lamp columns will be erected.

Signal ducts will be placed on Bristol Road footpath outside the Gun Barrells.

Bournbrook Road is closed from 1<sup>st</sup> September 2009 until the end of February 2011 to vehicular traffic.

Pedestrian and cyclist access will be maintained at all times and a signed diversion is in place.

The crossing point at South Gate is now back in operation for pedestrians and cyclists.

Emergency contact numbers for Birse are:-

Martin Keaney: 07967 578474

John Daft: 07976 539853    Head Office: 01453 824561

### **Statutory Undertakers**

BT will be constructing an inspection chamber between South Gate and the Gun Barrells public house.

BT will also be constructing an inspection chamber beyond RoSPA on the into City footpath.

Eon will be placing ducts in Arley Road and on the corner of Alton Road.

## **Aston**

### **Brewery Street - Coach and Lorry Park**

**updated**

The Scheme is to provide a secure Coach and Lorry Park for 32 vehicles and includes welfare facilities for the drivers.

Works include installation of new lamp columns, new road markings, traffic signs, welfare facility building and CCTV.

### **Planned works - 08<sup>th</sup> November - 14<sup>th</sup> November**

- Work on the iron railing for the boundary wall is progressing.
- Ducting work for the lighting is progressing.
- Work is continuing on the Storm/Foul Water connection.

Emergency Contact Telephone numbers for Barhale are:

24 hr. contractor contact - 01922 707700

Contracts Manager – Ahmed Mubarak, 01922 726715

Site Supervisor – Colin Jukes, 07903 9800939

If you require further information on the above, please contact either; Surinder Mann on 0121 303 7629, Neil Cambridge on 0121 303 7584 or Dennis Fletcher on 07766 924320.

## **Ladywood**

### **Ladywood Middleway Circus (Icknield Port Loop CIF)**

**updated**

The Icknield Port Road Junction Improvement Scheme continues with works being carried out.

- Start surfacing works to binder level at corner of corner of Wood Street and into Wood Street/Ladywood Middleway and also at Lawley Middleway Northbound
- Continue kerb and footway construction in Monument Road and into Ladywood Middleway.
- Lay ducts in Monument Road and Alston Road

Contact George Underhill for any queries on this Scheme on 07977437305 or Vic Prosser 07766923289.

### **A38 Great Charles Street – 29<sup>th</sup> September 2010 until January 2011**

Balfour Beatty Civil Engineering Ltd will commence works on installing a new bridge structure across Great Charles Street Queensway. The new bridge is to accommodate the Metro and provide a pedestrian link across Great Charles Street via Metro Station and lift. The road closure is to allow the demolition of the existing bridge and the installation of the new deck. Works will be carried out at weekends and out of normal hours to minimise disruption. The closures will be between St Chads Circus and Livery Street. (TMS)

Contact – Balfour Beatty David Hough 07786 111173

Traffic Management – HTM Marcus Casey 0121 326 9143

## Longbridge

updated

### Longbridge Lane at Bristol Road South – 24<sup>th</sup> August until November 2011

The scheme involves the widening of Longbridge Lane and improvements to the junction with Bristol Road South. The main contractor is Sisk.

The works are split into seven phases.

The works are due to finish in November 2011.

#### Progress in progress:-

##### Longbridge Lane

- Excavation completed to formation continuation of site clearance works

##### A38 Bristol Road South

- Ongoing service diversion works

##### Services

- Installation of service ducts commenced in central reservation and to the west Bristol Road South

#### Planned tasks:-

##### Service Diversions

- Installation of new ducts and services
- Excavation for and installation of 630/450mm gas main in central reserve A38 - ongoing
- Construction of BT manhole in central reserve A38 inc partial lane closure A38 for 4 weeks - ongoing
- Continue new foul sewer connection adjacent to Longbridge Lane

##### Culvert

- Commence culvert installations (1.8m and 2.0m high) off line works.

##### General

- Construction of new footpath on A38
- Continue road construction Longbridge Lane

Contact – Sisk – Cathal McManus 07587 130526 or 0121 326 9143 (24 Hours)

BCC – Rachael Kingsley 303 7097 or Dennis Fletcher (Clerk of Works) 07766 924320.
